Goalie School (Info provided by Lee Gibbings)

Run by Aaron Bedard, 9 to 10 Sundays in Exeter. Aaron will contact Deb Hayter for a list of registered goalies and get his own shooters. No fee to goalies. He is doing this for free, but would like approximately \$100 to purchase Gatorade, etc for the kids at Christmas, as well as one pail of pucks in his locker for just the goalie school (trouble last year with pucks missing). This was also done last year and he thought they spent about \$75.

Equipment (Info provided by Lee Gibbings)

Trouble with pucks going missing last year (pails at a time), especially from the Exeter Arena. Buy pucks for each locker or leave two pails in the practice locker? Thoughts?
