There will be a reminder email sent out starting July 1 2018 to any outstanding balances.

Early Bird Discount:

If you are unsure whether your child will be playing again next season, we recommend registering to ensure you receive the \$200 discount. This only applies to **returning** players that have not registered by April 15, 2018

Birth Certificates:

New registrants to SHMH must include a copy of their birth certificate with their registration. Please email a scanned copy to shregistrar@outlook.com

Girls Gate Passes:

Gate fees will not be charged for either Lower Lakes Hockey League or Western Ontario Girls Hockey League games. To offset the costs incurred for referee's at our home games a \$110 fee has been added to all girls registration costs. Please note that if there is more than one girl player in a family, each girl will be required to pay the fee.

Evaluations:

This year we are asking that you indicate on the registration form your intention to attend evaluations by simply stating **yes or no** in the specified field. If a player changes his/her mind at the time of evaluation they will still be permitted to attend the evaluation this is just a guideline to help determine how much ice time is needed for each division.

The cost will be **\$40 CASH and will be collected at the time of the first evaluation**. All returning players must be registered to attend evaluations.

If you are attending evaluations for more than one division, the \$40 will be charged each time.

Any boy player wishing to play AE hockey is advised to attend the rep evaluation but it is not mandatory. A onetime \$40 fee applies.

Evaluations for boys will start the week of September 4, 2018

Evaluations for girls will start April 13, 2018.

Intro to Hockey, Initiation and Minor Novice will begin first week of October, all other divisions (boys and girls) will begin the week of September 17, 2018. Regular ice time will begin in October.

Please watch the South Huron Minor Hockey website for changes and updates.

Permission to Skate:

Players must be registered with South Huron Minor Hockey prior to requesting a PTS form if they are trying out for a higher level of hockey (ie. A, AA, AAA). This will assist us in determining the potential number of players at each level. A PTS form will not be granted without a completed registration. If your child is successful, payment is not needed with the exception of the non-refundable 1% charged upon registering to cover admin fees. Notification must be made to the registrar at shregistrar@outlook.com. PTS forms will NOT be issued to move to another centre to play the same level of hockey as SHMH offers. PTS forms can only be signed by the chair and past chair and requires a minimum of 48 hours of notice.

New Programs for 2018/2019 Season:

Intro to Hockey – This program is designed for children born in 2014. It is strongly encouraged that they participate in CanSkate as well. There will be one ice time per week and will begin in late October and run until the end of February. This program requires a minimum of 10 players to proceed. Registrants will be notified once this threshold is met.

Juvenile – This program is for children born in 1999/2000 looking for Local League hockey after the midget division. This program requires a minimum of 15 players to proceed. Registrants will be notified once this threshold is met.
